**Invitation to the Asia-Pacific Regional Workshop: "Safe from Harm in Action:
Strengthening Safeguarding through Implementation and Assessment"**

Dear Colleagues,

Greetings from the Asia-Pacific Support Centre!

World Scouting is actively supporting National Scout Organizations to meet the Safe from Harm membership requirements. As part of this, we encourage all NSOs to take action in completing the Safe from Harm Self-Assessment, adopting a National Safe from Harm policy, establishing a National Safeguarding Reporting Procedure, and appointing a National Safe from Harm coordinator. These steps are essential to ensuring a safe and supportive environment for all young people in Scouting.

We are pleased to announce that Scout Association of Hong Kong (SAHK) will host the Asia-Pacific Regional Workshop on **"Safe from Harm in Action: Strengthening Safeguarding through Implementation and Assessment,"** scheduled from **9-12 August 2025**.

This workshop will convene key Scout Leaders to develop, review, and/or enhance their alignment with WOSM Safe from Harm requirements, including the National Safe from Harm Policy, the National Safeguarding Reporting Procedure, as well as establishing the National Listening Ear Support Network.
